

Safety Data Sheet Compound Organic Fertilizer

REGULATION (EG) 1907/2006

1. IDENTIFICATION OF THE PREPARATION AND OF THE COMPANY

1.1 Identification of the substance:

Compound organic fertilizer

1.2 Use of the preparation:

Fertilizer for plants

1.3 Company identification:

NV Rendapart SA
Industriepark Noord V
Wijngaardveld 36
B - 9300 Aalst
Tel: +32 (0)53 78 05 74
Fax: +32 (0)53 78 57 35
info@viano.be
www.rendapart.com

1.4 Emergency telephone:

During office hours from Monday to Friday 8:00 to 17:00u: +32 (0)53 78 05 74

2. HAZARDS IDENTIFICATION

/

3. COMPOSITION/INFORMATION OF INGREDIENTS

Dangerous substances: /

4. FIRST AID MEASURES

In case of inhalation: Recover outside

In case of swallowing: Rinse mouth, give water to drink

In case of skin contact: Dust off or rinse with soap and water

In case of eye contact: Rinse with clear water. Rinse away from the affected eye.

Contact a doctor when symptoms occur.

5. FIRE-FIGHTING MEASURES

5.1 Suitable extinguishing media:

CO₂, foam, water

5.2 Extinguishing media which shall not be used for safety reasons:

Not applicable

5.3 Special exposure hazards:

Unknown

5.4 Special protective equipment for fire-fighters:

Mask

6. ACCIDENTAL RELEASE MEASURES

6.1 Personal precautions:

Wash hands after spilling, avoid inhalation

6.2 Environmental precautions:

Avoid that the product is submerged in drains or surface waters

6.3 Methods for cleaning up:

Clean mechanically

7. HANDLING AND STORAGE

7.1 Handling:

Contains animal proteins. Cattle may not enter the land for at least 21 days following the application on the land.

7.2 Storage:

Conserve under dry circumstances and in closed packages.

7.3 Specific use:

/

8. EXPOSURE CONTROLS/PERSONAL PROTECTION

8.1 Exposure limit values:

No extra information

8.2 Exposure controls:

8.2.1 Occupational exposure controls

Respiratory protection: use in open air

Hand protection: use gloves or fertilizer spreader

Eye protection: none

Skin protection: cover the skin

8.2.2 Environmental exposure control

Do not use in the proximity of water and sewers

Dosage: 10 à 20 kg per 100 m²

9. PHYSICAL AND CHEMICAL PROPERTIES

9.1 General information:

Appearance: granules
Color: brown
Odeur: perceptible (slightly organic)

9.2 Important health, safety and environmental information:

pH (concentrated): not measurable (solid)
pH (aqueous solution): unknown
Boiling point / boiling range: not applicable
Flash point: not applicable
Flammability (solid, gas): not under normal circumstances
Explosive properties: none
Oxidising properties: do not mix with reactive compounds
Vapour pressure: not applicable
Relative density: not applicable
Solubility: unknown
Water solubility: unknown

Partition coefficient: n-octanol / water: unknown
Viscosity: unknown
Vapour density: unknown
Evaporation rate: not applicable

9.3 Other information:

Miscibility: unknown
Fat solubility: unknown
Conductivity: unknown
Melting point / melting range: not applicable
Gas group: not applicable
Auto-ignition temperature: unknown

10. STABILITY AND REACTIVITY

Stable under normal conservation conditions. Sensitive to microbial decomposition.

10.1 Conditions to avoid:

Avoid humid conservation circumstances.

10.2 Materials to avoid:

Avoid reactive products and oxidising agents.

10.3 Hazardous decomposition products:

Unknown

11. TOXICOLOGICAL INFORMATION

In case of inhalation: Irritation
In case of swallowing: Becoming dizzy, stomach and intestinal complaints, queasiness
In case of skin contact: Slightly irritating (when sensitive)
In case of eye contact: Irritation.

In case of a long period of exposure: unknown

Acute toxicity: unknown

12. ECOLOGICAL INFORMATION

12.1 Ecotoxicity:

Eutrophication of water

Increase of salt level in surface and water

12.2 Mobility:

unknown

12.3 Persistence and degradability:

Microbial decomposition and absorption by living organisms

12.4 Bioaccumulative potential:

unknown

12.5 Results of PBT assessment:

not applicable

12.6 Other adverse effects:

unknown

13. DISPOSAL CONSIDERATIONS

Do not throw this package in the environment or in the water. This package is recyclable, chlorine- and sulphur-free and is harmless when burned. This package has no influence on the quality of groundwater.

14. TRANSPORT INFORMATION

UN-number /

Class /

Proper shipping name /

Packaging group /

Marine pollutant /

Other applicable information /

15. REGULATORY INFORMATION

Labelling: "compound organic fertilizer NPK"

Danger symbol: none

Contains: fertilizing raw materials, authorized fertilizing business

Danger sentences: geen

Safety sentences: geen

16. OTHER INFORMATION

The above information is based on our current knowledge and is no guarantee for product features and is not contractually based.

Legislations and prescriptions are to be respected by any person using this product.
Use at own risk.
